

# VITA

More than half of all taxpayers pay for commercial tax preparation. The VITA Program offers free tax help for low – to – moderate income (under \$40,000) people who cannot prepare their own tax returns. Volunteers, sponsored by various organizations, receive training to help prepare basic tax returns in communities across the country. VITA sites are generally located at community and neighborhood centers, libraries, schools, shopping malls, and other convenient location. Some locations also offer free electronic filing. There is an extensive directory of VITA Programs located throughout PA. VITA can save individuals money on tax preparation fees. To find the VITA site near you, call the IRS at 1-800-829-1040.
